

Amateurs & Enthusiasts

As an Amateur and Weather Enthusiast, there are several benefits and opportunities available by being a member of the Royal Meteorological Society:

- Enjoy reading [Weather](#) [1], the 'house journal' of the Society, delivered monthly to your door, as well as being available to download free from the [App Store](#) [2] or [Google Play](#) [3], to read on your smartphone or tablet.
- Enhance your knowledge by attending [RMetS meetings](#) [4] - there's no need to travel to our National Meetings as members can listen live remotely online
- Share your passion of meteorology with others at [WeatherLive](#) [5] on 4th November 2017 - members of the Society save 15% off normal registration fees

Additional benefits of being a member of the Society:

- Receive our **monthly e-newsletter** with updates on Society news, our latest projects and upcoming events
- **Access speaker presentations** following national meetings
- Up to **50% off** charged meetings
- **Discount** on items in the Society's shop

Support:

The Royal Meteorological Society is a registered charity, and hence relies upon member subscriptions and donations to help support our charitable work in science and education

You can also join in with:

- outreach activities
- our [Facebook](#) [6], [Twitter](#) [7], [LinkedIn](#) [8] and [Instagram](#) [9] pages
- attend and get involved with meetings at our [local centres around the UK](#) [10]

- participate in our [Special Interest Groups](#) ^[11]
- [access to educational resources](#) ^[12] including instruments
