Due to the COVID-19 pandemic, the Society was not able to host a face-to-face AGM event this year. Instead we hosted a virtual AGM which you were able to join either via a weblink or via a telephone.

The AGM programme is detailed below and was circulated to members as an insert in the April issue of *Weather* (see also under Meeting Resources below). The relevant documents for the AGM, such as the Annual Accounts and Report for 2019, are also available under Meeting Resources.

We would encourage all members to join us for our AGM so please register for the event by clicking on the [?Register for this event?](#) button. Joining instructions was emailed to everyone who has registered ahead of the AGM. If you have any questions please contact the Society on 0118 2080 142 or

email [info@rmets.org](mailto:info@rmets.org) [3].
