Please use the form below to contact the Society. We shall endeavour to answer any question put to us in a timely fashion. **Please ensure that you enter your email address accurately** as this is the only method we have of replying to you. **Also note that we are not normally able to supply weather data for specific dates**, though we may sometimes be able to supply information about historic weather events. If you are looking for weather data then you can try the [National Meteorological Library and Archive](#) ^[2]

Please check our [FAQ](#) ^[3] to see whether your question is answered there. It contains answers to most of the questions that we are asked.

Please see the [map here](#) ^[4] for directions from Reading Station.
