

- ○ Special Interest Groups <sup>[1]</sup>
- Meteorological Observing Systems <sup>[2]</sup>

**Date:** Saturday 13 June 2020

**Time:** 10:00 - 19:00

**Location:**

Glaziers Hall Ltd  
Glaziers Hall  
9 Montague Close  
London  
SE1 9DD  
United Kingdom

**Email:**

[metobs@rmets.org](mailto:metobs@rmets.org) <sup>[3]</sup>

This meeting has been postponed owing to the coronavirus outbreak  
A new date will be publicised in due course. Existing bookings will be honoured, or refunded in full upon request.

A joint meeting between the Worshipful Company of Scientific Instrument Makers, the Royal Meteorological Society and the Scientific Instrument Society.

The meeting will cover the history and development of meteorological instruments, from the 17th to the 21st centuries, covering thermometers, barometers and wind measurements, and

their applications.
