This meeting has been cancelled and is hoped to be re-scheduled for later this year.

**SPEAKER|** Bill Wade, Royal Met. Soc. NE Centre member

**ABSTRACT|** A journey around the Svalbard islands in July 2019 on a small expedition boat. There were good opportunities to view the varied wild-life and to see the effects of considerable climate warming in recent years. It included a visit to the edge of the Arctic ice-cap at around 81.30 N.
